

# Shipwrecked on the sea of uncertainty

## Refrain

S.O.S

Lord save my soul

S.O.S

Please make me whole

When I'm shipwrecked on the sea

Of uncertainty

When I'm drowning in disbelief

When hope, faith I might not know

Oh when I am unsure

Where is the cure ?

Unsure what I know

Unsure where to go

Unsure what I feel

Do I know what's real ?

Unsure what I did ?

Whom or what did I hit ?

Did I do something wrong

But now I sing this song

Unsure what I believe

Lord help me flee the grief

Am I a liar, am a thief ?

When I should Lord – help me to leave
